## STATE HIGHWAY MAP

## Welcome To Arkansas

Arkansas is graced with an abundance of natural beauty. From the "Land of Opportunity" of the northwest to the "Land of Natural Resources" in its scenic and historic attractions are capturing the attention of tourists worldwide.

Agriculture and industrial growth have combined to provide a strong, productive economy. Our highway and transportation system has played a key role in aiding this growth.

Arkansans are proud of this progress and we want to share it with you. We want you to enjoy your visit to the "Land of Opportunity" and hope it will be a safe journey as well.
