

Preformed Bridge Joint Seal

D.S. Brown Company
North Baltimore, OH

Watson-Bowman & Acme Corp.
Amherst, NY

Method of Documentation of Acceptance:

By brand and source.

Manufacturer's submittals must be approved by the Bridge Engineer.

The brand and source if not listed above must be approved prior to use.

Method of Approval:

Qualification of a preformed joint seal manufacturer is based on the submittal of drawings showing proposed seal dimensions and tolerances, including recommended clearance from the roadway surface, and test results from a recognized laboratory.

When deemed necessary by the Materials Engineer and at a frequency determined by him, random samples will be taken and tested.

Material failure of project and/or random samples will be considered sufficient reason to discontinue acceptance of a material from a manufacturer.

No information contained in these lists is to be used for promotional purposes.

The manufacturer of privately labeled products must be disclosed.
