

ARKANSAS DEPARTMENT OF TRANSPORTATION

**SUBSURFACE INVESTIGATION**

STATE JOB NO. 020655

FEDERAL AID PROJECT NO. STPR-0921(2)

HALLEY – DEWEY (S)

STATE HIGHWAY 208 SECTION 2 & 3

IN CHICOT & DESHA COUNTY

The information contained herein was obtained by the Department for design and estimating purposes only. It is being furnished with the express understanding that said information does not constitute a part of the Proposal or Contract and represents only the best knowledge of the Department as to the location, character and depth of the materials encountered. The information is only included and made available so that bidders may have access to subsurface information obtained by the Department and is not intended to be a substitute for personal investigation, interpretation and judgment of the bidder. The bidder should be cognizant of the possibility that conditions affecting the cost and/or quantities of work to be performed may differ from those indicated herein.

**TO:** Mr. Deric Wyatt, District Two Engineer

**SUBJECT:** Job No. 020655  
Pavement Core Request  
Route 208 Sections 2 & 3  
Desha and Chicot Counties

Transmitted herewith are the requested Pavement Sounding results for the above referenced job. Samples were taken in the existing travels lanes. Stations are noted as log miles and locations are left and right of the existing centerline.

A handwritten signature in blue ink, which appears to read 'Michael C. Benson'.

Michael C. Benson  
Materials Engineer
