

ARKANSAS DEPARTMENT OF TRANSPORTATION

REQUEST FOR QUALIFICATIONS

On-Call Landslide Design and Repair Services (2019-2022)

Notice is hereby given that the Arkansas Department of Transportation (Department) is seeking statements of qualifications from Consultants with extensive experience designing and repairing roadways damaged by landslides, acts of nature, or other geohazards. Consultants meeting qualification requirements will be considered for providing on-call design and repair services pending Arkansas State Highway Commission approval. The contract length will be for two years with an option to extend to five years.

The work will generally consist of design and/or repair using permanently cased soil nails, soldier pile walls, compaction grouting, aggregate piers, and drilled rail landslide repair. Additional technologies may be submitted for acceptance.

Copies of the full Request for Qualifications (RFQ) may be obtained free of charge and may be ordered in person or by fax, mail, email, or courier service through:
