ADMINISTRATIVE ORDER NO. 2020-02 (Supersedes Administrative Order No. 2017-04)

SUBJECT: EEO POLICY STATEMENT AND AFFIRMATIVE ACTION COMMITMENT

The Arkansas Department of Transportation executed a Certificate of Assurance with regard to our Equal Employment Opportunity (EEO) Program and is therefore legally obligated to ensure equal employment opportunities for all persons regardless of race, color, religion, sex, national origin, age, disability, or genetic information as a fundamental agency policy. According to the Equal Employment Opportunity Commission, discrimination against an individual because of gender identity, including transgender status, or because of sexual orientation is discrimination because of sex in violation of Title VII.

The Department's internal employment practices are an integral part of the agency's total commitment and support of its Equal Employment Opportunity Program.

For effective administration and implementation of the EEO Program, there must be involvement, commitment and support from executives, managers and supervisors. You are advised that responsibility for positive implementation of the Affirmative Action Plan will be expected of and shared by all management and supervisory personnel. You are further advised that you will be held accountable for your actions in this area and you will be evaluated in carrying out these responsibilities.

The major responsibility must be recognition and removal of any barriers to equal employment opportunity, identification of problem areas and of persons unfairly excluded or held back, and action enabling them to compete for jobs on an equal basis.

This type of commitment not only benefits those who have been denied equal employment opportunity, but will also greatly benefit the organization by attaining maximum utilization of the great reservoir of untapped human resources and skills, especially among women, minorities and the disabled.
