Tier 1 Categorical Exclusion

After appropriate environmental review, it has been determined that the subject jobs are a Tier 1 Categorical Exclusion as described by the ARDOT/FHWA Programmatic Agreement on Categorical Exclusion Documentation and Processing. Public hearings will not be offered for these projects.

The purpose of these projects is to preserve and rehabilitate the pavement on two state highways. Job A50008 would include asphalt overlay with leveling, mill and overlay of the Highway 13/Highway 67 interchange ramps and bridge ends, along with patching where necessary along 4.9 miles of Highway 13. Job A90010 would include asphalt overlay with mill and inlay of selected sections along 2.8 miles of Highway 65. The project location maps are attached.

The projects would not involve relocations, endangered species, prime farmlands, streams, wetlands, underground storage tanks, hazardous materials,

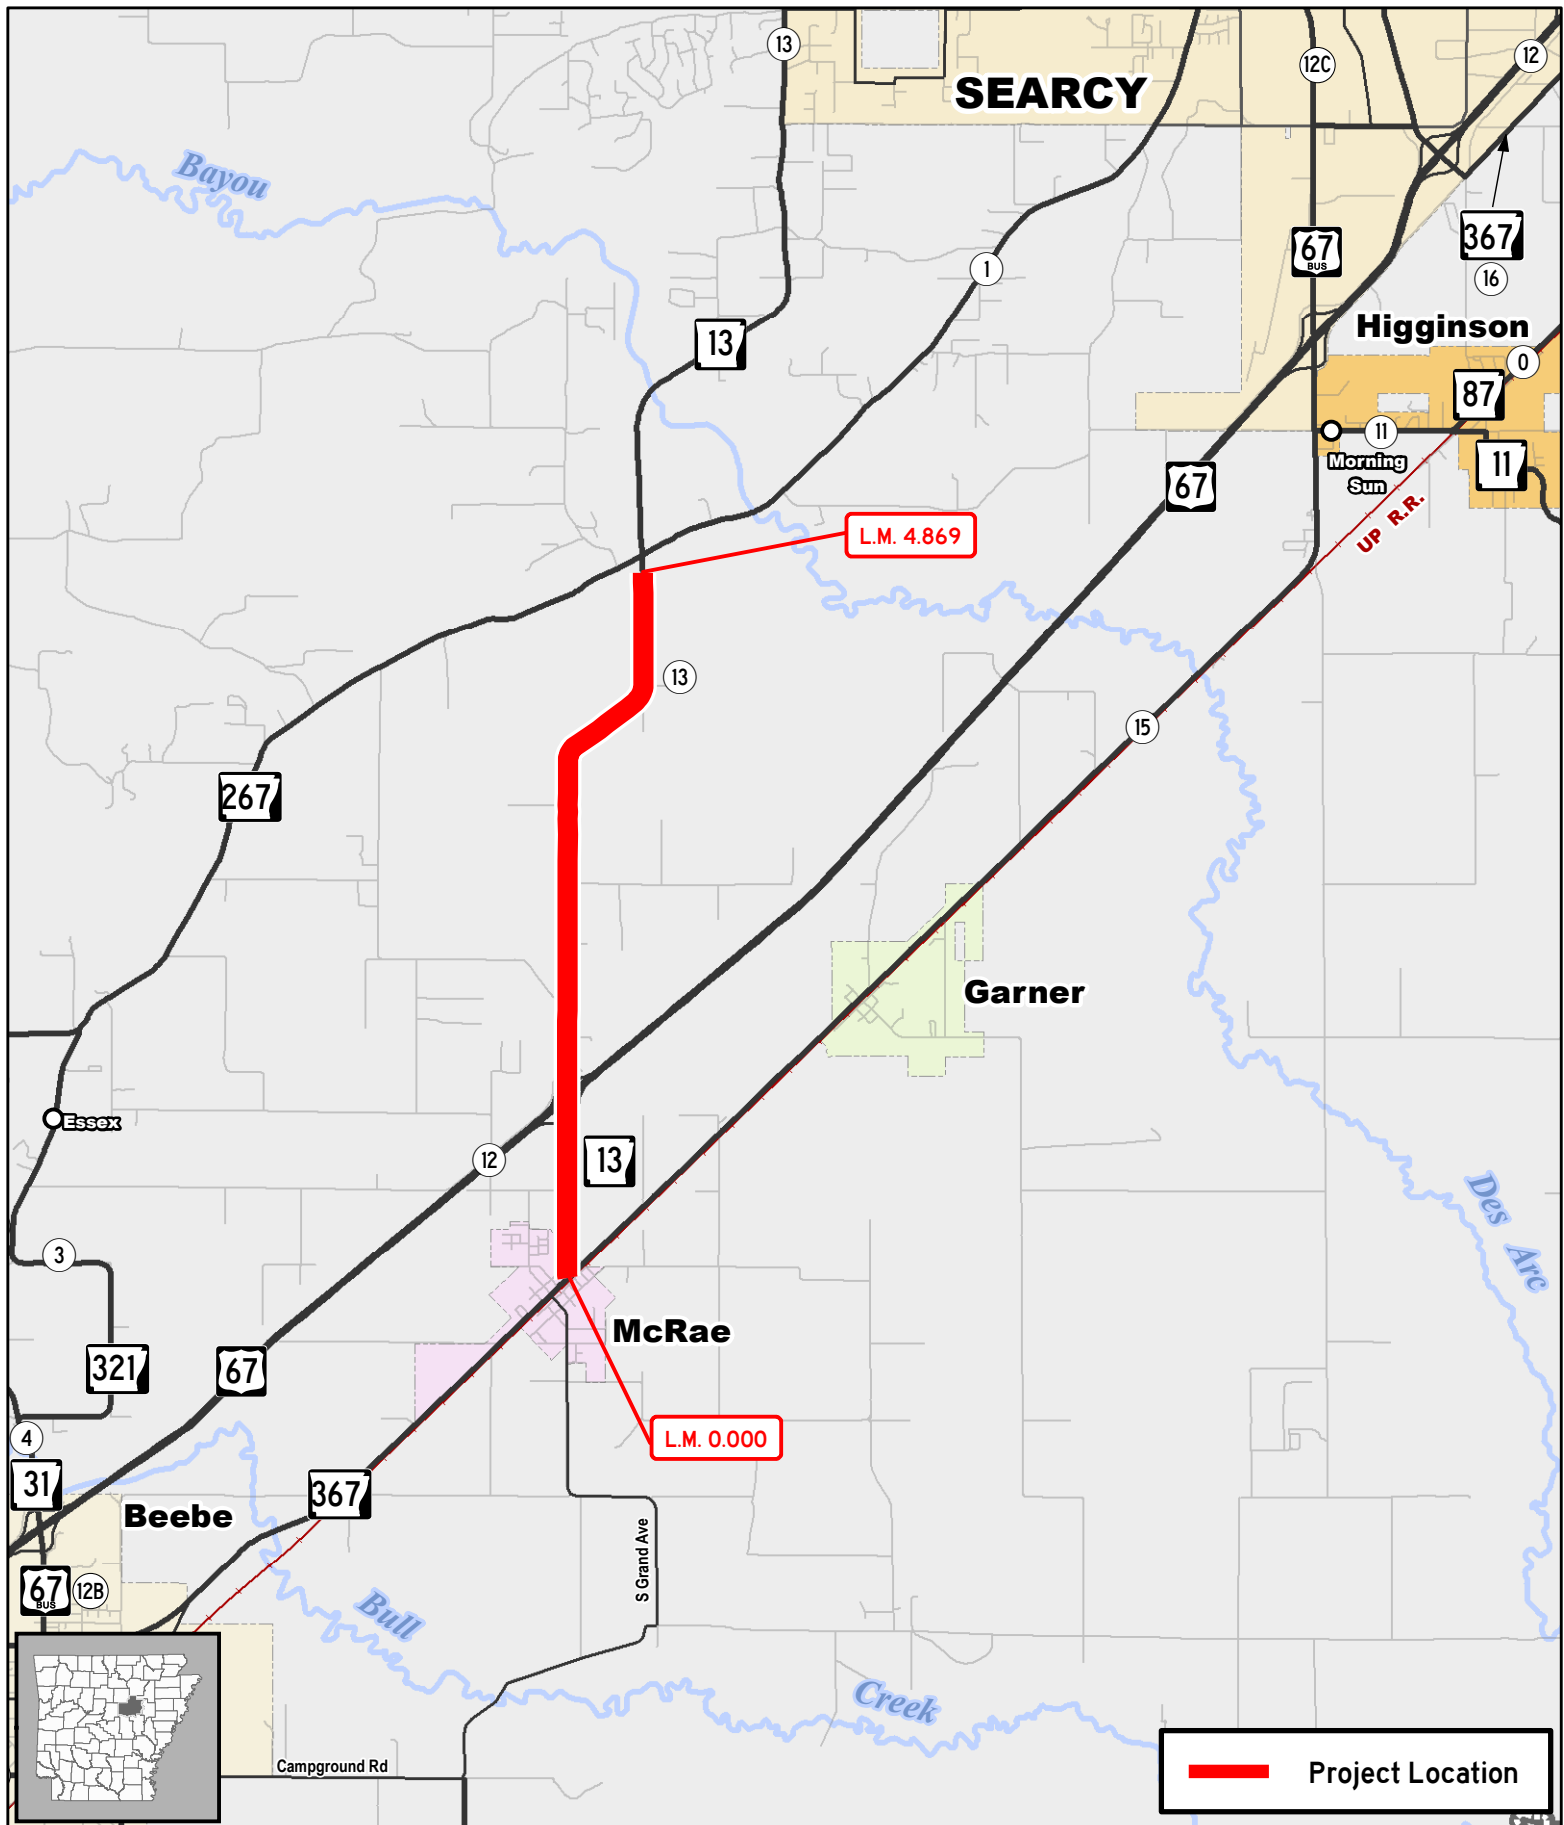

environmental justice issues, or cultural resources. The projects have been determined to generate minimal air quality impacts for Clean Air Act criteria pollutants and have not been linked with any special mobile source air toxic concerns. No Section 404 permits would be required. The cultural resources clearances are attached.
