“Our primary goal is the safety of the road user and our secondary goal is to reopen the bridge to traffic as soon as we can safely do so.” — Director Lorie Tudor

Lorie Tudor
Director of ARDOT

It is an honor for me to serve as Director of the Arkansas Department of Transportation. Some of the most ambitious/highway construction programs we’ve ever undertaken are currently underway. As the need arises, and it is proved to be true, we are up to the challenge.
“It’s amazing what can be accomplished when you don’t care who gets the credit.”

- Harry S. Trumann
