# SASHTO SCHOLARSHIP PROGRAM

It's that time again! Applications for the 4th Annual SASHTO Scholarship Program are available to ARDOT employees with school-aged children. The \$500 scholarships are aimed at assisting parents with the expense of sending their kids to college. Dependents of retirees and employees killed in the line of duty are also eligible.

"I am pleased to share that the Department will be awarding scholarships of \$500 each to the children of current and retired ARDOT employees once again this year to help defray the cost of college," ARDOT Director Lorie Tudor announced. "Just like the past three years, the scholarships will be awarded through a random drawing involving all eligible applications."

The scholarship money is provided to member states of the Southern Association of State Highway and Transportation Officials (SASHTO). Arkansas is one of 14 member states, including Puerto Rico. The scholarships represent remaining monies from the annual SASHTO Conference and are divided among the member states to promote their scholarship programs.

To be eligible for scholarship consideration, an applicant must:

- Be a dependent child of a full-time regular employee who has a minimum of two (2) current, consecutive years of credited ARDOT service as of January 1, 2022;

the dependent child of a retired employee who had a minimum of two consecutive years credited to ARDOT service upon retirement; OR the dependent child of a former, fulltime ARDOT employee who lost his/her life while on duty either through accident on the job or active military; and

- Be age seventeen (17) through twenty-three (23); and
- Be accepted to and/or registered for the upcoming fall school term at an accredited college, university, vocational school or technical school as a full-time student.

The ARDOT SASHTO scholarship application is available on the homepage of the ARDOT Intranet. A completed application and all accompanying materials must be received by July 1 at 4:00 p.m. for consideration for the fall semester. "We will have 30 scholarships available," Tudor added. "We are excited to offer this program as part of ARDOT's strategic goal of being an employer of choice and as part of our commitment to creating more education opportunities for employees and their families. Prior years have awarded a total of \$51,500 in scholarship funds."

**Winners will be chosen by random drawing by July 31 of this year. For more information on the program, or if you have questions, contact Travis Flower in the Human Resources Division at 501-569-2430 or at [travis.flower@ardot.gov](mailto:travis.flower@ardot.gov).** ♦
