

Felt Joint Materials and Felt Bearing Pads

Supplier	Brand
None Approved	

Method of Documentation of Acceptance:

By brand and source.

Method of Approval:

- **Suppliers/Manufacturers shall provide to the Materials Division the Manufacturer's certification for each material stating compliance with the appropriate stated specification and certifying that all materials supplied to Department projects will comply with the appropriate specifications.**

- **Sample(s), 3' by roll width, along with product literature shall be submitted to Materials Division for verification testing.**

- **When deemed necessary by the Materials Engineer, samples shall be taken and tested on a random basis on materials from each manufacturer.**

- **Material failure of project and/or random samples will be considered sufficient reason to discontinue acceptance of a material from a manufacturer, determination of which shall be made by the Materials Engineer.**

No information contained in these lists is to be used for promotional purposes.

The manufacturer of privately labeled products must be disclosed.
