

**CITY OF HOT SPRINGS, ARKANSAS
HIGDON FERRY ROAD AND CENTRAL AVENUE INTERSECTION IMPROVEMENTS
REQUEST FOR LETTER OF INTEREST**

Notice is hereby given that the City of Hot Springs (City) is seeking letters of interest from qualified consulting firms to provide engineering-related services for the design and construction of widening and intersection improvements at State Hwy. 88 (Higdon Ferry Road) where it intersects State Hwy. 7 (Central Avenue) in front of Oaklawn Racing Track in Hot Springs, Arkansas.

The work will generally consist of providing surveys, intersection design, traffic study, roadway design, and plans, right-of-way plans, and construction engineering and inspection services.

This project includes federal funds along with review and approval of the work by the Arkansas Department of Transportation (ARDOT). All work and contract requirements shall conform to the requirements of the Federal Highway Administration (FHWA), ARDOT, and City.

Interested firms must furnish a Letter of Interest, together with Primary contact information and Architect-Engineer Qualifications Standard Form 330 Parts I and II. In order to receive consideration, interested firms shall provide complete qualifications in PDF format to MHill@cityhs.net.

Responses must be received no later than 5 PM CDT, Friday June 10, 2022. Any responses after this deadline will not be considered. Questions about this request may be directed to Michael Hill via e-mail at MHill@cityhs.net.

After a review of all Letters of Interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.

The City complies with the provisions of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, FHWA Guidance, and any other Federal, State, and/or local laws, rules, and/or regulations.
