Elevations by digital level from NGS BM RV177 remained unchanged from previous elevation.*****
Comments			
Digital Levels were ran by crew S5113 from NGS mark S 288 to R 288 in Nov. 2010 during Job 020505.*****Position updated by Garver in August 2017 during job 020615 via static GPS. Elevations by digital level from NGS BM RV177 remained unchanged from previous elevation.*****			

  

Location Description
To reach the station from the junction of I-530 and highway 79 south, southwest of Pine Bluff go south on hwy-79 for 1.40 miles to the station on the left just past a bridge over Nevins creek. 74 feet northwest of the right of way fence, 34 feet southeast of the center of hwy-79, 24 feet southwest of a paved driveway and 2.0 feet northwest of a witness post. The station mark is a 2 1/2 inch cap stamped "350027A 2010" set on top of a 5/8 inch by 4 foot long rebar and is 0.20 feet below the surface.
