RE: FY 2023-2026 Transportation Improvement Program – Admin Modification

The Arkansas Department of Transportation (ARDOT) has requested an Administrative Modification to the Fiscal Year (FY) 2023-2026 Transportation Improvement Program. This will mark the first (#1) Administrative Modification to the FY 23-26 TIP for the Tri-Lakes MPO. This modification will address the following changes:

- Adding FY 2021 5307 funds to this TIP cycle (FY 23-26)
 - \$755,141 – Federal – FTA 5307
 - \$341,771 – Local – City of Hot Springs
 - \$177,015 – State – AR State Transit Tax
 - **\$1,273,927 – Total Funds being added**

The MPO has consulted with ARDOT, Federal Transit Administration (FTA), and the City of Hot Springs to confirm a modification is needed. Administrative Modifications are revisions that do not require federal approval. If needed for clarification, these revisions to the TIP/STIP may be noted in the comment field on the Federal-aid Project Agreement form. The following identifies revisions to the TIP/STIP that are considered Administrative Modifications.

- Adding previous fiscal year funds which had already been allocated, to be utilized in the current/future fiscal year, of the current TIP/STIP

ADMINISTRATIVE MODIFICATION #1 REVIEWED AND APPROVED ON APRIL 3rd, 2023
