RE: Appropriation Year FTA 5307 Funds

Mr. Derrick Harris
Director
Tri-Lakes MPO
DHarris@wcapdd.org

Dear Derrick:

This memorandum is provided to convey clarification and understanding regarding the TIP/STIP amendment dated March 11, 2024, attached for reference. The approved amendment, for a total of \$974,554 in FTA Section 5307 funding, supports an application by the City of Hot Springs for transit activities in that amount which was appropriated in Federal Fiscal Year 2022. The application is being completed in FY 2024, and will be spent in FY2024. This memorandum intends to provide documentation of the appropriation, application and spend-down dates for the Tri-Lakes MPO TIP and for the STIP prepared by the state transportation agency, ArDOT.

As always, if you should have any questions or need more information, please contact me.

Best regards,

Lance Spice
Deputy City Manager
